

LYNDON HARROWS

THE LARGEST RANGE OF AGRICULTURAL HARROWS IN NZ – DESIGNED & BUILT TO LAST

ARENA GROOMER

The Lyndon Harrows Arena Groomer is used to enhance your arena for improved horse comfort and arena surface maintenance. Lyndon Harrows have been designing and manufacturing surface improvement equipment in NZ for over forty years.

- The tynes (or optional submarine blade) free up the top surface and spread build up
- The rear arena rake assists in surface distribution and finishes
- The side sluice pulls away that annoying edge build up
- The submarine blade breaks up hard surfaces and provides a consistent depth above the sub-base
- Arena Groomer can be powder coated or galvanised

Submarine blade

1500mm **\$3850 +gst**

2100mm **\$4385 +gst**

(other sizes POA)

SUBMARINE BLADE OPTION

Extra **\$455 +gst** with single row of tynes

Extra **\$695 +gst** with double row of tynes
