THE LARGEST RANGE OF HARROWS IN NEW ZEALAND

ARENA GROOMER

The Lyndon Harrows Arena Groomer is used to enhance your arena for improved horse comfort and arena surface maintenance.

Lyndon Harrows have been designing and manufacturing surface improvement equipment in NZ for over forty years.

- 🌀 The tynes free up the top surface and spread build up
- 🌀 The rear arena rake assists in surface distribution and finishes
- 🌀 The side sluice pulls away that annoying edge build up
- 🌀 Arena Groomer finished in hot-dip galvanisation for long life
